

SMOOTH PEARL PAPER & PRE-MOUNTED BOARDS

IGSPP9

ILFORD GALERIE Smooth Pearl is a premium RC paper, developed by the makers of ILFOCHROME® to deliver the best in professional photographic digital prints. It incorporates an advanced nanoporous receiving layer for instant drying and outstanding image quality. ILFORD GALERIE Smooth Pearl is available in roll and pre-mount format. The unique range of pre-mount media can be fed directly through the Epson® 9000, 7000, 4000 and 2000 Series printers giving prints straight from the printer, ready to frame.

FEATURES

- Market leading pearl media, the surface that professionals prefer
- Outstanding photographic image quality and consistency, even at the fastest print speeds
- Excellent smudge and water resistance
- Pre-mounted board for easy post print handling/finishing
- Professional results when used with STUDIO Digital Printing software RIP and Epson® wide format printers

PRINTER & INK COMPATIBILITY

Compatible with ILFORD STUDIO software and the Epson® 9000, 7000, 4000 and 2000 Series printers and Epson UltraChrome® inks.

AVAILABILITY

ILFORD GALERIE Smooth Pearl is available in sheets, rolls, and over-size pre-mounted boards. For more details, please see the Availability Chart on the GALERIE section of www.ilford.com.
